## Finding the track

**If arriving at Dunedin from the north on State Highway One**, follow the Highway One sign through Dunedin. You will travel along the one way system until the Oval (just past the railway yards). Move into one of the right-hand lanes and follow the Highway One signs past Carisbrook. Travel straight ahead at the traffic lights and continue over Lookout Point and down the motorway behind Green Island. Leave the motorway at the Fairfield exit; turn right at the stop sign; proceed to give way on the Main South Road bear right then immediately turn left into Fairplay Street; at the end of this street turn right into Martin Road. At the end of the park (about 50 metres) there is a drive on the right beside 60 Martin Road. The concrete block building at the top of this drive is the clubrooms of the Pitlane Slotcar Club - welcome.

**If arriving from the south or Mosgiel**, approach Fairfield using Highway One over Saddle Hill exiting the motorway at the Fairfield exit. Travel down the Main South Road and turn left into Fairplay Street (just before the park), at the end of this street turn right into Martin Road. At the end of the park (about 50 metres) there is a drive on the right beside 60 Martin Road. The concrete block building at the top of this drive is the clubrooms of the Pitlane Slotcar Club - welcome.
